## Professional Summary

Dedicated teacher with more than 15 years of experience, Committed to acting not only as a teacher but as a mentor to my students. Ability to listen to students' and parents' concerns and find solutions that ensure students are learning to the best of their abilities. Adept in a range of teaching methods and able to establish clear objectives for my classrooms.

## Skills

- Skilled instructor who uses a wide variety of teaching methods to make learning fun and keep students of all ages engaged in the learning process.
- Excellent at discerning when a student is having issues but not speaking up, making it easier to speak with the student and work to find a solution to any problem.
- Active learner who understands how new information affects my lesson plan and knows how to incorporate new information into existing plans.
- Skilled at oral expression and comprehension to communicate clearly and understand when my students are speaking.
- Organized yet creative thinker who can develop goals, write lesson plans, gather supplies and implement plans in a fun and positive environment.

## Work Experience

### Secondary School Teacher

September 2011 to Present

- Implemented unique teaching methods such as putting on plays or writing musicals to teach students about world history.
- Administered quarterly tests and used the grades to improve my own teaching methods.
- Hosted study groups twice per week.

### Primary School Teacher

September 2006 to September 2011

- Engaged students in lively discussions to teach them Nigerian history as well as to help them gain the confidence to speak up and have their own opinions in class.
- Created trivia games and cooperation-based projects to help students learn history as well as get to know other students and learn to work well in teams.
- Met with parents and students to discuss how students could improve their study and testing skills.

**Elementary School Teacher**  
**September 2001 to September 2006**

- Designed games and worksheet packets to teach basic one about the history of their state in a fun and engaging manner.
- Planned and hosted field trips to local and state historical monuments to get a hands-on look at the state's history.
- Hosted a history day in which students dressed up as their favorite person from the state's history and taught other grades about their character's contribution to society.
